**GMEConnect®:**  
An easy-to-use online tool for  
submitting medical credentials

**GMEConnect® gives post-graduate medical training programs a more efficient and secure way to provide credentials verification to the Federation of State Medical Boards (FSMB).**

This easy-to-use online portal lets you submit physician credentials directly to FCVS, which is currently a leading source of credentials verification for more than 185,000 physicians nationwide.

**GMEConnect® offers:**

- A secure online portal and paperless submission of credentials to reduce omissions and errors
- An expedited licensure process for physicians
- Training and ongoing technical support for users
- No cost for programs to submit physician information

Since 1996, the Federation Credentials Verification Service (FCVS) has provided a centralized, uniform process for state medical boards, hospitals and other hiring or licensing entities to obtain a verified, primary-source record of a physician or physician assistant's core medical credentials.

**Information provided in each FCVS profile includes:**

- Identity
- Medical Education
- Postgraduate Training
- Licensure Examination History
- ECFMG Certification (if applicable)
- Board Action History
- ABMS Certification
