All Step 3 applicants for the Mississippi State Board of Medical Licensure must meet the core USMLE eligibility requirements and the following state-specific requirements:

Medical School Requirements: If the medical degree obtained is from an international medical school, the school must be included in the list of medical schools recognized by the Medical Board of California at the time of graduation. (http://www.medbd.ca.gov/applicant/schools_recognized.html)

However, if the medical degree obtained is from a school located in the British Overseas Territories, the medical school must be accredited by the Caribbean Accreditation Authority for Education in Medicine and Other Health Professions (CAAM-HP) at the time of graduation. (<http://www.caam-hp.org/>)

Post-Graduate Training: All Mississippi applicants must have completed one (1) year of post-graduate training in an ACGME, AOA or RCPSC approved program prior to applying. Your program director must complete section two of the form below (all questions must be answered), have his/her signature notarized, and forward the form to the Federation for arrival no later than September 10, 2010. If the post-graduate training encompasses more than one program, make a photocopy of the form and have all program directors complete and return the form before September 10, 2010. *Note: It facilitates processing when the PGT form accompanies the Step 3 application. PGT form(s) received more than 45 days before receipt of the application are not considered current and will not be accepted.*

****Post Graduate Training Form****

Attempt Limits: All Mississippi applicants are limited to three (3) attempts to pass USMLE Step 3. Applicants who fail Step 3 for the third time must complete one (1) additional year of ACGME approved post-graduate training before an additional attempt is approved by the Mississippi board.

Time Limit: All Mississippi applicants must complete all three Steps within seven (7) years of passing the first examination.

Copy of Fifth Pathway Certificate (if applicable)

****Please note:** *The USMLE program will cease acceptance of Fifth Pathway certificates issued after December 31, 2009 for the purpose of meeting Step 3 eligibility requirements.* **

All applicants who are graduates of international medical schools and not certified by the ECFMG, and have completed a Fifth Pathway program must submit a notarized photocopy of your Bachelor's degree or official transcript directly from the school you attended for pre-med education, a notarized photocopy of your medical school diploma and a notarized photocopy of your Fifth Pathway graduation certificate. *If your diploma is in a language other than English, you will also need to submit a notarized copy of the English translation of your diploma as well as the original language diploma.* If you participated in the Ponce School of Medicine or Mount Sinai Fifth Pathway programs you will need to contact those programs directly to request verification of enrollment and successful completion to be sent to the FSMB directly from the program. The letter must come direct to the FSMB from the program. Use the address(es) provided below.

Licensure Application: All Mississippi applicants must apply for a permanent Mississippi medical license before approval to sit for the USMLE Step 3 is given. Applicants may apply for Mississippi permanent licensure by accessing the board's website at: https://www.ms.gov/medical_licensure/renewal/init_app/instructional_page.jsp.

Before the Mississippi Board will approve an application for USMLE Step 3, the applicant must have met the requirements for licensure in the state of Mississippi. However, eligibility for Step 3 does not signify eligibility for licensure.

If it is determined that you do not meet eligibility requirements at the time your application is received, or if you decide to cancel your registration prior to approval, a portion of the application fee will be withheld. The USMLE Bulletin of Information states the Step 3 fee is non refundable and non transferrable from one application to another.
