

FCVS-FedEx/Kinko's Collaboration

In an effort to provide better value to FCVS' applicants, FCVS and FedEx/Kinko's recently joined forces to provide a one-stop shopping experience designed to reduce time and expense associated with the FCVS application process.

Many of the documents that an applicant is required to submit to FCVS must either be photocopied to 8 ½ by 11 inches, notarized or must bear a passport quality photograph. FedEx/Kinko's agreed to provide a Preferred Customer account number that allows FCVS applicants a 30% discount on many services, including:

- Photocopies
- Passport Photographs
- Computer Access

Additionally, applicants may purchase notary and shipping services at the same location.

As FCVS applicants become aware of this new service and with increased sales at FedEx/Kinko's, the discount will increase to 35% or higher.

FCVS web pages were quickly updated to provide this Preferred Customer number and applicants from across the country began to use this service immediately. FCVS applicants utilized the discount far more than expected in the early days of the collaboration, thus proving the success of the initiative.

This discount can also be utilized by any FSMB department, associate or customer. One needs only to present the Preferred Customer number 8400051717 to any FedEx/Kinko's location to receive the discounted services.
