

Permanent, Primary, Protected and Portable!

Technological advances in medical practice and governmental and economic pressures have resulted in greater physician mobility than ever. Instant access to your permanent, primary-source verified credentials are an absolute necessity.

The Trusted Source for Credentials Verification

The FSMB is a nationally recognized and trusted source for sensitive physician information. The FSMB created the Federation Credentials Verification Service (FCVS) to provide a high quality, efficient and professional service for individual physicians who need to collect or send verification of academic and professional credentials.

FCVS does the work for you!

Our expert staff requests and obtains all documents on your behalf.

- You establish a permanent, lifetime portfolio of primary-source verified credentials.
- Documents can be used throughout your career for state licensure, hospital privileges, employment, and professional memberships.
- Courteous and diligent credentialing professionals process your file quickly and accurately.
- A toll-free number (888-ASK-FCVS) and 24-hour website access (<http://fcvs.fsmb.org>) are provided to help you complete the application and provide status about its processing.
- The FSMB guarantees your information remains secure and confidential.

What We Verify

We verify core credentials in six key categories by obtaining and verifying the following from its primary source.

- Physician Identity
- Physician Medical Education
- Physician Postgraduate Training
- Physician Examination History
- Physician ECFMG Certification (if applicable)
- Physician Board Action History
- ABMS Certification

Here's a few words from current FCVS users:

"A fantastic service that promises to be a real time saver in the future!"

"A most needed service. If I would have used it sooner it would have saved me a bundle!"

"Excellent service. A central credentialing service is an excellent idea, especially for IMGs with paperwork abroad."

"Have used your service for five years and have always been pleased—thank you."

We're Easy to Use

The verification process begins with an FCVS application packet that can be obtained by visiting our website at www.fsmb.org, calling our office at (888) ASK-FCVS or contacting any state medical board or other parties designated by FCVS. You'll find the application to have comprehensive, easy-to-follow instructions, as well as a toll-free support line for assistance from one of our representatives. Just complete the application as instructed, return it to us with the appropriate fee(s) and that's where we take over.

Our goal is to verify your credentials in the most efficient manner possible so you can get on with your career.

FCVS – The Trusted Source for Credentials Verification

Established in 1912, the FSMB is a nationally recognized and trusted source for sensitive physician and physician assistant information. In response to emerging issues within the medical field that have resulted in greater practitioner mobility and

demand for increased license portability, the FSMB created the Federation Credentials Verification Service (FCVS). Its purpose: to provide a high quality, efficient and professional service for individual physicians who need to collect or send verification of academic and professional credentials.
