

Federation of State Medical Boards
2009 Annual Meeting
20/20 Vision: The Future of Medical Regulation

Continuing Medical Education

Course Director: Barbara S. Schneidman, MD, MPH

Accreditation: This activity has been planned and implemented in accordance with the Essentials areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of The University of Texas Southwestern Medical Center and the Federation of State Medical Boards. The University of Texas Southwestern Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The University of Texas Southwestern Medical Center designates this educational activity for a maximum of 8.75 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in this activity. In order to receive CME credit, daily sign-in at the conference, submission of the Attendance Verification Form (included in the onsite registration packet) and full payment are required before **May 15, 2009**.

Disclosure: It is the policy of ACCME that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the registration material.

Method of Teaching: Through presentations and discussions by distinguished faculty, the presenters will move attendees through the objectives stated.

Off-label Uses: Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be off-label or unapproved uses discussed during the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

Target Audience: The 2009 Annual Meeting is designed specifically for board members, which includes family physicians and staff of state medical boards, as well as individuals concerned or interested in medical licensing, regulation and discipline.
