## **FSMB Foundation Elects New Officers**

WASHINGTON, D.C. (November 4, 2016) – Today, the FSMB Foundation, the philanthropic voice of the Federation of State Medical Boards, announced it has elected three officers to its Board of Directors. The FSMB Foundation supports the FSMB and state medical and osteopathic boards through education and research on issues pertinent to medical regulation.

The following individuals were elected to serve as officers for the Foundation's Board of Directors:

**President:** Janelle Rhyne, MD, MACP

As the re-elected President of the FSMB Foundation, Dr. Rhyne will lead the Foundation's efforts to support research and education initiatives benefiting state medical boards. Dr. Rhyne is a past Chair of the Board of Directors of FSMB and has served on numerous committees and workgroups within the organization and the United States Medical Licensing Examination. Dr. Rhyne is an infectious disease specialist in Kayenta, Arizona.

**Vice President:** Randal Manning, MBA

Randal Manning is the newly-elected Vice President of the FSMB Foundation. Mr. Manning has served on the FSMB Board of Directors and numerous FSMB committees, including the Special Committee on the Evaluation of Undergraduate Medical Education, the License Portability Workgroup, and the Strategic Positioning Committee. Outside of FSMB, Mr. Manning has served in a variety of leadership roles with Administrators in Medicine, and was the Executive Director of the Maine Board of Licensure in Medicine for two decades.

**Treasurer: Hedy Chang**

Hedy Chang has been re-elected as Treasurer of the FSMB Foundation. Ms. Chang has served in a variety of roles with the FSMB, including serving as a member of the FSMB Board of Directors. Outside of her work with FSMB, Ms. Chang served on the Medical Board of California for more than 10 years, including a term as Board Secretary and service on the board's Access to Care, Application Review, and Public Education committees.

The FSMB Foundation's Board of Directors is comprised of eight elected leaders whose strategic decision-making and guidance steer the organization. The Board sets policies relating to grant decisions, investment, management, governance, and professional standards, while ensuring that the leadership and resources in place uphold the Foundation's vision, mission and goals.

The mission of the FSMB Foundation is to promote research and education to improve the quality of health care through effective physician licensure and regulations. The Foundation makes the results of its research projects available to the public and provides educational tools as a way to encourage further dialogue in promoting high standards for the safety and welfare of the public.
