

**Resolution 16-3; Physicians’ Use of Marijuana** submitted by the FSMB Board of Directors was **ADOPTED**:

*Resolved, That, given the lack of data supporting clinical efficacy and difficulty evaluating impairment, state medical and osteopathic boards advise their licensees to abstain from the use of marijuana, for medical or recreational purposes, while actively engaged in the practice of medicine.*

*Resolved, That the FSMB model policy, Essentials of a State Medical and Osteopathic Practice Act, Section IX, Disciplinary Action against Licensees, D(19) be amended to include “marijuana” in the list of substances that impair ability.*

*Adopted by Federation of State Medical Boards House of Delegates  
April 2016*
