PHYSICIANS ARE NOT PERMITTED TO PRACTICE MEDICINE IN MONTANA IN ANY MANNER WITHOUT AN ACTIVE MONTANA LICENSE

(Please allow 30 days for processing from the date that the Board has a complete routine application.)

Licensure Requirements

- Must be a graduate of a medical school approved by the American Osteopathic Association or conforms to The Liaison Committee on Medical Education (LCME).
- U.S. graduates must have successfully completed a Board-approved post-graduate residency program.
- Foreign graduates must complete at least 3 years of post-graduate training in an approved program in the United States or Canada or been granted board certification by a specialty board which is approved by AMA or AOA.
- Foreign graduates must have a certificate from the Educational Commission for Foreign Medical Graduates (ECFMG; www.ecfmg.org) and from the Fifth Pathway Program, if applicable.
- Must have passed a licensing exam, approved by the Board. Please refer to the Board statutes and rules (ARM 24.156.606) for specific information regarding examination information and limits on attempts.
- Must be of good moral character.

Application Processing Procedures

- The fee for licensure application is $500. Make checks payable to Montana Board of Medical Examiners.
- When the application file is complete, it will be processed and considered by Board staff for permanent licensure. The applicant may be notified if additional information is required or if required to appear before the Board for an interview. Once a routine application is complete, the application may take up to 30 days to process.
- You will be notified by mail when the application has been successfully processed and you have been licensed to practice medicine in Montana.
- Applicants will be notified in writing of any deficient or missing items from the application file.
- If the application is considered a non-routine application, there will be a delay in processing of the application. You may be requested to provide additional information or make a personal appearance before the Board during a regularly scheduled Board meeting and/or the application may require Board consideration. You will be notified in writing if you are required to appear before the Board.
- For an application requiring review by the full Board, all materials must be received by the Board office no later than 15 working days prior to the Board's next scheduled meeting. Applications completed after that deadline will not be put on the Board's agenda. The Board meets six times per year (generally the third Friday of odd-numbered months) beginning in January. Please visit www.medicalboard.mt.gov for exact meeting dates.
- Keep the Board office informed at all times of any address changes, changes in license status and complaints or proposed disciplinary action. This is essential for timely processing of applications and subsequent licensure.

Uniform Application for Physician State Licensure (UA)

- The Montana Board of Medical Examiners was one of the first medical boards to implement the “Uniform Application for Physician State Licensure” or “UA”. The UA benefits physicians applying to more than one participating medical or osteopathic board during the span of their career by reducing data entry redundancy. The core Uniform Application information can be updated and sent to additional boards as needed, leaving only board-specific requirements to be completed.

- To start or update your UA, visit https://portal.fsmb.org/MyFsmb/ and click on the UA graphic, then sign in. You may also visit http://www.fsmb.org/ and click on Uniform Application in the Licensure menu to access the portal page. Complete the online Uniform Application as instructed in each section.

The Federation Credentials Verification Service (FCVS)

- The Board accepts the use of the FCVS as part of the licensure process, but FCVS is not required for licensure. FCVS is for credentials verification only. FCVS staff verifies primary source documents related to your identity, education, training, and more, creating a personalized profile that eliminates the re-verification of items that never change. Your profile can be updated and sent to additional boards as needed.

  The FCVS application does not replace the Montana Board of Medical Examiners Application (UA).
  If you choose to use FCVS, you will need to complete both applications separately.

- If you do not use FCVS, you must provide your credentials directly to the board for verification. If you use FCVS, you will still need to complete the UA, but you will not need to complete several of the UA verification forms.

- To begin an initial or subsequent application for creating or updating your profile of primary source verified credentials, visit https://portal.fsmb.org/MyFsmb/ and click on the FCVS graphic, then sign in. You may also visit http://www.fsmb.org/ and click on FCVS in the Licensure menu to access the portal page.

- For assistance, use the messaging tool within FCVS or call 888-275-3287 with your FCVS ID number between 8am and 5pm CT Monday through Friday.

Completing the Online Montana Licensure Application

- Read the following information carefully before completing and submitting your application. You will be asked to account for all time since medical school graduation, including providing your employment history, and asked to provide any information on medical malpractice claims. We recommend having this information on hand before you begin working on your UA.

- First time UA users are required to pay a one-time service charge of $60.00. Your receipt will be available immediately after submitting the UA and, you will receive a separate receipt via email.

- Please utilize the checklist in this packet to ensure that you submit all required documentation. Please note: All documents not in English must be accompanied by certified translations.

- The UA FAQ at https://www.fsmb.org/licensure/uniform-application/faq answers the most common UA questions. If your question or issue isn’t listed, contact UA customer service at 800-793-7939 or email ua@fsmb.org with your username or FCVS ID if applicable, and a description of what you were doing at the time.

- For information with regard to the processing of this application or other concerns, please contact the Board of Medical Examiners’ staff at (406) 444-5773 or email us at dlibsdmed@mt.gov.
Please note the following:

- The Montana Board **does not require either a notarized copy of your birth certificate or of your current, valid passport.**

- If not pre-filled, provide your home address and a separate address for business or postgraduate training. Both Board Contact and Public Access selections must be made but you can use the same address for each. All addresses must be domestic (within the United States).

- You are not able to add or edit MD or DO license information in the UA because that information is sent directly from the state boards into the FSMB system. If changes are needed, email ua@fsmb.org with the correct information. Depending on volume of license update requests, it may take 1-3 business days for the changes to appear in your UA. Do not enter MD or DO license information under “Other”.

- Enter all other professional licenses (nurse, EMT, physician assistant, etc.) you have held (including active, inactive, training, temporary, etc.) in the U.S. or Canada. Request verification from these boards as well.

- If you hold licenses in countries outside the U.S. or Canada, please provide that information on a separate sheet of paper to the Board.

- On the Chronology of Activities, in addition to listing all activities after medical school, the Montana Board of Medical Examiners requests that on a separate sheet of paper, you list the name of each place of employment/practice and your reason for leaving.

- If you have no malpractice claims, you may leave that section blank.

- Upon accepting the Terms and Agreement and submitting the UA, first time UA users will be taken to a payment page for the one-time service charge. This charge sustains the UA program and is separate from FCVS and state board licensing fees.

- For a copy of your receipt, click on the “Home” link to return to the portal page, which will now have a Payment link to all FSMB receipts in the upper right corner.

- To open your UA for editing and resubmitting to a board, or for submitting to a new board, sign in and choose the appropriate board in the State Board section. Reselect the US Citizen query on the Identification page (it resets each time a UA is submitted), make changes as needed, then submit or resubmit your UA.

**In addition to completing the core UA online, all applicants must:**

- Submit a UA Affidavit and Authorization for Release of Information form to the Board. The UA Affidavit is separate from the FCVS Affidavit and must be sent directly to the Board. **The Montana Board of Medical Examiners does not require this form to be notarized, nor does it require a photo.**

- Have each full, temporary, training, or limited healthcare or profession license or certification you have ever held in the U.S. or Canada verified by the granting board, whether the license or certification is active or inactive. Determine the fees and verification method for each board using the licensure verification resource at [http://www.fsmb.org/licensure/uniform-application/](http://www.fsmb.org/licensure/uniform-application/). Use the UA Licensure Verification Form for boards that need a written request. If the verifying board uses VeriDoc or another method, use that method instead.
If you are using FCVS for credentials verification,

- Do not complete the UA Medical Education Verification, Postgraduate Training Verification, or Fifth Pathway Verification forms. Do not send any identity documents, transcripts, certificates, or examination scores to the Board. FCVS handles all of this for you.

If you are not using FCVS for credentials verification,

- Send to the Board a certified copy of a legal name change document (marriage certificate, divorce decree, court order) if your name is not the same on all of your submitted documents.

- Contact each appropriate exam entity to have a certified transcript of your scores sent directly to the Board. If you have taken any component of the NBME in conjunction with another exam (USMLE/FLEX), request your transcript from the NBME. For contact information, see the UA FAQ at http://www.fsmb.org/licensure/uniform-application/faq.

- Complete the UA Medical Education Verification, Postgraduate Training Verification, and Fifth Pathway Verification (if applicable) forms as directed on each form. The UA Medical School Verification form should be accompanied by a copy of your diploma if you graduated from that school. The Montana Board of Medical Examiners does not require a copy of official medical school transcripts.

- If you are an International Medical Graduate, request from ECFMG that your ECFMG certificate, Fifth Pathway Program Certificate, and/or FMGEMS certificate be sent to the Board, as applicable. See the UA FAQ at the link on the previous page for contact information.

**Please note:**

The National Practitioner Data Bank (NPDB) is a national database of Board actions and other information about healthcare licensees across the United States. The Board requires the NPDB Report for all applicants for physician licensure and will obtain it at the Board’s expense during the application review process. The information contained in the NPDB report may require an applicant to submit further information to the Board before a licensing decision can be made.

I will immediately notify the Board in writing of any changes to the answers to any of the questions contained in this application if such a change occurs at any time prior to a license to practice medicine being granted to me by the Board.
