Dear Applicant:

We thank you for your interest in obtaining a medical license in the State of West Virginia. It is our goal to see that you receive your license in the shortest time possible with as little inconvenience as possible. If you follow the steps outlined below, you will assist in expediting the processing of your application:

1. **Confirm Eligibility.** Please determine if you meet the eligibility requirements as listed in these instructions and in the West Virginia Medical Practice Act and Rules prior to making application. As quoted from §30-3-10(i): The Board may not issue a license to a person not previously licensed in West Virginia whose license has been revoked or suspended in another state until reinstatement of his or her license in that state.

2. **Complete the application as soon as possible.** The application process will not begin until the Board electronically receives the Uniform Application with fee; and either through the mail or overnight delivery service to the Board office the Photo Affidavit and Addendum 1. Be aware that since licensure approval occurs at the bi-monthly Board meetings, completion of the licensure process generally occurs within three to six months from the date your application is received in this office.

3. **Be complete.** We receive information from more than one source. As a result, it is crucial for you to provide complete information. Omissions or discrepancies will delay the process. Send all information and documentation requested. Initial and date each correction you make. Information received in this office from third parties or from your answers to the questions may require clarification or submission of additional materials.

4. **Follow the directions.** Do not substitute a different document for the one requested by the Board. Read the instructions in its entirety before you begin completing the application.

5. **Request verifications from third parties immediately upon receipt of the application.** We accept Physician Information Profiles from the Federation Credentials Verification Service (FCVS). If not utilizing this optional service, you should contact those agencies directly to inquire as to the procedure and fee for requesting the information needed by the Board. Send a cover letter with the request form (i.e. Forms 2 or 3) asking the party who will complete the form to assure that all questions are answered and appropriate signatures and seals are affixed. We suggest you follow up your written requests within two weeks with a phone call to the third party to ensure forms were sent to this office.

6. **Fees.** The permanent license fee is $400, payable to the West Virginia Board of Medicine by credit card at the time of completing the West Virginia portion of the Uniform Application. If the fee is not satisfactorily submitted, your application will not be processed. Fees are not refundable under any circumstance.
7. **Telephone queries about status of applications.** Unnecessary calls to our office will delay processing time as this takes time away from processing applications. We are required to restrict our response about the status of an application to the applicant or the applicant's attorney, unless you have completed and signed the Authorization for Release of Application Status on Addendum 1 of this application. Within thirty days of receipt of your application in this office, you should receive an e-mail notifying you of the status of your application. If you are concerned about your application being received in this office, please mail it certified – Return Receipt or use overnight mail.

8. **Tips, Tricks, Hints of the Trade.** Certain techniques expedite rapid third-party responses. Provide third parties with self-addressed, stamped postcards to be returned to you when documentation is sent to the Board office. Provide third parties with overnight mail envelopes so that the documentation may be forwarded to the Board in a timely manner. For your own records, note the dates of each request sent to third-party agencies.

9. **Save Time, Save Money, Reduce Anxiety.** Do not make commitments on loans, practice start dates, home purchases, airline tickets, etc., until a license is granted. It may be that not all physicians who apply will receive a license. Don't waste valuable time assuming that an exception will be made or that a requirement will be waived for you.

10. **Temporary Licensure.** Fees are not refundable. A temporary license may be available to persons actively licensed in another state, the District of Columbia, Canada, or Puerto Rico. The fee for a temporary license is $100, payable to the West Virginia Board of Medicine by cashier’s check, money order, personal check, or credit card (via phone call only). Once eligibility is determined and met, only the $100 fee is needed for temporary licensure. There is no additional application.

11. **License Renewal.** Regardless of the date of issuance, all licensees whose surnames begin with the letters A – L expire on June 30 of every even year, and all licensees whose surnames begin with letters M – Z expire on June 30 of every odd year. The full renewal fee will be required regardless of the date of initial licensure.

If you follow these suggestions in filling out your application, the process should proceed with few complications. We are committed to thoroughly reviewing credentials and to licensing qualified candidates in the shortest possible time.

## Continuing Medical Education Requirements

The West Virginia Board of Medicine requires as a condition of re-licensure (renewal) that licensees be able to document fifty (50) hours of continuing education satisfactory to the West Virginia Board of Medicine during the preceding two-year period of which at least thirty (30) hours must be related to the physician’s area or areas of specialty.

The Legislative Rule explaining what type of continuing education is considered satisfactory to the West Virginia Board of Medicine is available on our website at [https://wvbom.wv.gov/Rules.asp](https://wvbom.wv.gov/Rules.asp). Read Series 1A Licensing and Disciplinary very carefully as the provisions are very important for licensees who hold both active and inactive licenses.

Proof of your continuing medical education is to be available to be sent to the Board at the time of licensure renewal. For those whose last names begin with A through L, the two-year period during which continuing education must be obtained began July 1, 2014, and ends June 30, 2016. For those whose last names begin with M through Z, the two-year period during which continuing education must be obtained began July 1, 2015, and ends June 30, 2017. No matter when your initial license is issued, your license will expire and must be renewed based on the schedule listed for the first letter of your last name.
Medical Licensure Requirements

All applicants for medical licensure in the State of West Virginia shall provide evidence of the following:

1. Graduation and receipt of the degree of doctor of medicine or its equivalent from a school of medicine, which is approved by the Liaison Committee on Medical Education (LCME) or by the Board; and

2. If an American, Canadian, or Puerto Rican graduate, successful completion of at least one (1) year of postgraduate clinical training (internship or residency) in the United States or Canada, which has been approved by the Accreditation Council for Graduate Medical Education (ACGME); or

If a foreign medical graduate, successful completion of at least three (3) years of postgraduate clinical training (internship, residency or fellowship) in the United States or Canada, which has been approved by the ACGME, or successful completion of at least one such year and current certification by a member Board of the American Board of Medical Specialties (ABMS); and

One of the following:

a) Valid Educational Commission for Foreign Medical Graduates (ECFMG) certificate; or
b) Evidence of receipt of a passing score on the examination of the ECFMG, or

3. One of the following:

a) A Federation Licensing Examination (FLEX) Weighted Average (FWA) of 75% or better obtained at one sitting of the FLEX. Scores averaged together from two or more sittings will not be accepted; or
b) A score of 75% or better on both FLEX Component I and FLEX Component II; or

To be eligible for licensure, an applicant must successfully complete and obtain a passing score equivalent of 75% or better on USMLE Step 1, USMLE Step 2, and USMLE Step 3 within a period of ten (10) consecutive years. Each USMLE Step must be passed individually in order to successfully complete the USMLE.
The Board (or a majority of them) shall accept a passing score of 75% percent or better on USMLE Step 3, in lieu of a passing score on the FLEX, the NBME or LMCC certificate, or successful passage of a State Board examination. To be eligible for USMLE Step 3, an applicant must have successfully completed and obtained passing scores of 75% or better on both USMLE Step 1 and USMLE Step 2.

The USMLE replaces the NBME Part Examination program and the FLEX program, and some medical students and physicians may have successfully completed part of the NBME and/or FLEX program(s). In order to facilitate a smooth transition to USMLE and to avoid undue eligibility burden on applicants for licensure, the Board considers several combinations of these examinations as comparable to the existing examinations. Applicants must reach a passing score of 75% on each examination listed in one of the following combinations:

a) NBME Part I or USMLE Step 1 plus NBME Part II or USMLE Step 2 plus NBME Part III or USMLE Step 3; or

b) FLEX Component 1 plus USMLE Step 3; or

c) NBME Part I or USMLE Step 1 plus NBME Part II or USMLE Step 2 plus FLEX Component 2

In order to meet the examination requirement of this subsection for licensure, the examination combinations set forth in subdivisions a., b., and c., of this subsection, must be successfully completed within a period of ten (10) consecutive years.

The Federation Credentials Verification Service (FCVS)

The Federation of State Medical Boards (FSMB) is a national non-profit organization representing the 70 medical and osteopathic boards of the United States and its territories. Two of the services provided by the FSMB are the Federation Credentials Verification Service (FCVS) and the Uniform Application for Physician State Licensure (UA).

FCVS verifies primary source documents related to your identity, education, training, and more, and creates an individualized profile that can be sent to any organization accepting FCVS. By eliminating the re-verification of items that never change, physicians benefit from a shortened credentialing process when applying to more than one state board.

We highly recommend using FCVS for credentials verification but it is not required. If you do not use FCVS, you will need to provide your credentials directly to the Board for verification.

If you would like to use FCVS and haven’t used it before, you will need to complete an Initial FCVS Application. If your credentials are already on file with FCVS, you will need to complete a Subsequent Request to update your FCVS profile. All applicants must designate the board to receive the FCVS profile as part of the FCVS application process. Information about FCVS fees can be found at http://www.fsmb.org/licensure/fcvs/. These fees are separate from the Board’s licensing fee and the UA one-time service fee of $50.00.

To work on your FCVS application, visit http://www.fsmb.org/ and select “FCVS” in the Sign In menu, then sign in as directed. For assistance with FCVS, use the messaging tool within FCVS or call 888-275-3287 with your FCVS ID number between 8am and 5pm CT Monday through Friday.
The Uniform Application for Physician State Licensure (UA)

The UA was developed to streamline and simplify the licensure application process. Once the core UA has been completed, it can be modified and resubmitted to the same board, or used to apply for licensure to additional boards without reentering the same information. Updates can be made as needed.

*The Uniform Application is the board's licensure application and must be completed whether or not you use FCVS for credentials verification.*

You will be asked to complete a chronology of activities of all working and non-working time since medical school graduation. You will also be asked to provide details of any malpractice liability claims. Having this information on hand before you begin will help you to complete the UA more efficiently.

Physicians applying for an initial license and physicians wishing to reactivate a license can access the UA by visiting [http://www.fsmb.org/](http://www.fsmb.org/) and selecting Uniform Application in the Licensure or Sign In menu, then signing in as directed. If you have submitted a UA previously, select the West Virginia Board of Medicine in the State Board section to open the UA for editing. Submit your UA to the board when you have finished updating your UA.

**Please note the following:**

- Licenses will be issued in your diploma or legal name as indicated on the submitted documented proof of such name (i.e. U.S. Birth Certificate, Certificate of Naturalization, Alien Registration card, Employment Authorization card, and/or legal documentation reflecting name change).

- Provide both your current home address and current business practice/training address, otherwise an error will occur. Do not enter the same address for both home and work.

- In order to comply with federal law, the West Virginia Board of Medicine is obligated to inform each applicant or licensee from whom it requests a Social Security Number that disclosing such number is MANDATORY in order for this Board to comply with the requirements of the federal National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank. If this Board should be required to make a report about one of its applicants or licensees to either of these data banks, it must report that individual's Social Security Number.

- MD licenses cannot be added or edited in the UA as all MD license information comes directly into the system from the state boards. Email [ua@fsmb.org](mailto:ua@fsmb.org) with the correct information if changes are needed.

- Enter all other professional licenses (nurse, EMT, physician assistant, etc.) you have held (active or inactive) in the U.S. or Canada. Request verification from these boards by using UA Licensure Verification Form #1, VeriDoc, or follow the instructions on the licensing Boards website.

- If you are applying for a special or temporary license and hold licenses in countries outside the U.S. or Canada, please provide that information on a separate sheet of paper.

- Activities that need to be listed on the Chronology of Activities include hospitals, teaching institutions, HMOs, private practice, corporations, military assignments, government agencies, and Locum Tenens assignments. Exclude postgraduate training (internship, residency, and fellowship) previously entered. Include all periods of unemployment.
• Check the “Staff Privileges” box for all locations where you have had admitting privileges.

• Clinical time indicates time spent with patients. Administrative indicates time spent on paperwork or research.

• In the Malpractice section, for each claim, list the name and the address of the insurance company in the “Insurance carrier at time” field.

• List as much detail as possible in the “specifics” section for each professional liability judgment or settlement, including the name, age, sex of patient/claimant, the nature of the allegations in claims/suits (specify whether a suit was ever filed), names of other practitioners and hospital (if any) involved in claims/suits, name of defense attorney, and reason for settlement.

• At the end of the Core UA, you will be redirected to the West Virginia Board of Medicine licensure portal to allow for electronic transmittal of the Core UA to the Board along with completion of additional information specifically required by the Board and payment of the $400 application fee via credit card.

• In the event the application process is not completed in one sitting, applicants will be sent an e-mail with an application ID number to use to allow access to return to the site at a later time.

In addition to completing the core UA online, all applicants must:

• Complete the addenda in this packet as instructed.

  Addendum 1 – Additional Physician Information form. Provide all information requested. Please include the date your Affidavit photo was taken on this page in the space provided. Authorization of someone to assist you with your application is optional.

  Addendum 2 – Good Moral Character Statement. This form is to be completed by another medical doctor (not a D.O.) who is licensed in the United States. The Affiant must have known you for a minimum of two (2) years and must not be related to you by blood or marriage. The form must be notarized. This is not to be completed by you.

  Addendum 3 – Affidavit. (Available upon request) If you are a foreign medical graduate without and ECFMG certificate and relying on option 3.c. (listed on page 2), this form is to be completed by another medical doctor (not a D.O.) who is licensed in the state or jurisdiction where you have been engaged in the practice of medicine on a full-time professional basis for at least five (5) years. The form must be notarized and sent to the Board with this application. Keep a copy of this completed form to take with you to your interview. Other than the top portion, this is not to be completed by you.

• Submit a UA Affidavit and Authorization for Release of Information form to the Board. The UA Affidavit is separate from the FCVS Affidavit and must be sent directly to the Board. Securely tape or glue a recent (less than 6 month old) front-view 2”x2” passport-type studio quality color photo of yourself (head and shoulders only) in the square provided. Proof photos, negatives, copies of photographs, poor quality digital photos, and photographs cut from books or newspaper articles are not acceptable. This form must be notarized and mailed to the West Virginia Board of Medicine.

• Have each full, temporary, training, or limited healthcare or profession license or certification you have ever held in the U.S. or Canada verified by the granting board, whether the license or certification is active or inactive. Determine the fees and verification method for each board using the licensure verification resource at http://www.fsmb.org/licensure/uniform-application/.
Use the UA Licensure Verification Form for boards that need a written request. If the verifying board uses VeriDoc (www.VeriDoc.org) or another method, use that method instead.

If you are using FCVS for credentials verification,

- Do not complete the UA Medical Education Verification, Postgraduate Training Verification, or Fifth Pathway Verification forms. Do not send any identity documents, transcripts, certificates, or examination scores to the Board. FCVS handles all of this for you.

If you are not using FCVS for credentials verification,

- Send a **copy** of your birth certificate, passport, or baptismal record. No other documents will be accepted in lieu of this requirement.

- Send a **copy** of your marriage license, divorce decree, or court order of change of name if the name shown on your diploma is not the name you are now using. **You will be licensed under the name shown on your medical diploma if evidence is not provided to the Board of a change of name.**

- Contact each appropriate exam entity to have a certified transcript of your scores sent directly to the Board. If you have taken any component of the NBME in conjunction with another exam (USMLE/FLEX), request your transcript from the NBME. For contact information, see the UA FAQ at [http://www.fsmb.org/licensure/uniform-application/faq](http://www.fsmb.org/licensure/uniform-application/faq).

- Complete the UA Medical Education Verification, Postgraduate Training Verification, and Fifth Pathway Verification (if applicable) forms as directed on each form. If transcripts from your medical school are not in English, an original, certified, and official English translation is required.

  - An official English translation is one which is done by:
    - a government official in the U.S.,
    - an official translation service in the U.S. and is qualified to translate,
    - a professor of a language department in a college or university located in the U.S., or
    - an Official of the American Embassy in a foreign country. (This document must be translated by the American Embassy, not just certified as a true copy, and must have the Embassy seal placed on it.)

  - The translator must:
    - Certify that the document is a true translation to the best of his/her knowledge, and that he/she is fluent in the language.
    - Sign the translation; his/her signature must be certified by a Notary Public.
    - Print his/her name and title under the signature.
    - Translate on an official letterhead.

  - For schools located in countries under Communist rule or presently engaged in civil war, we will accept **notarized letters from two (2) classmates, officials of the school, professors, etc.,** who will swear to your graduation and who were at the school the same time you were. **These letters must give the name of the school, the dates both you and the letter writer started and graduated (month, day, year).** The letters must be received by the West Virginia Board of Medicine directly from the letter writer, not from you. **These letters will not be accepted by the board just because it will take a long time to have your school complete this form.** It will be up to the Board office to determine which schools cannot or will not complete this form.
You MUST also submit the following to the Board:

1. **Permanent license fee of $400** by credit card payable when finalizing submission of the UA to the West Virginia Board. **This fee is not refundable under any circumstances. This fee is a separate fee from FCVS fees and the UA fee.**

2. **American Medical Association (AMA) Biographical Profile.** Even if you are not a member of the American Medical Association, you must request the AMA Physician Profile Data Report at [https://profiles.ama-assn.org/amaprodfiles/](https://profiles.ama-assn.org/amaprodfiles/). There is a fee for this for non-members. Call customer service at 800-665-2882 for assistance.

3. **National Practitioner Data Bank Self-Query.** Begin the process for a Self-Query at [https://www.npdb.hrsa.gov/ext/selfquery/SQHome.jsp](https://www.npdb.hrsa.gov/ext/selfquery/SQHome.jsp). Follow all instructions given. A pdf of the Self-Query report may be forwarded to the Licensure Analyst processing your application, or you may request a mailed copy so that the Self-Query report is mailed directly to you. You must then mail (do not fax) all of the original report (not photocopies) directly to this office. For assistance, email help@npdb.hrsa.gov or call 800-767-6732.

4. **American, Canadian, or Puerto Rican medical school graduates:** **Copy** of your certificate* of completion of at least one (1) year ACGME approved postgraduate clinical training (internship or residency), in the United States or Canada;

   OR

   **Foreign medical school graduates:** **Copy** of your certificate* of completion of at least three (3) years of ACGME approved postgraduate clinical training (internship, residency or fellowship), in the United States or Canada, **OR** of at least one year of ACGME approved postgraduate training plus proof of current certification by a member Board of the American Board of Medical Specialties.

   *If you have not yet received your certificate, proof of completion can be in the form of an official letter (indicating beginning and ending dates of training) from the program director, with the School or Hospital Seal affixed. Submit the original or a copy of the letter with your application. This is in addition to the Postgraduate Training Verification form.

5. If you are a **foreign medical school graduate**, a **valid** copy of your ECFMG certificate (or evidence of receipt of a passing score on the examination); **or** if you were not issued a ECFMG certificate, a completed Addendum 3 attesting to at least five (5) years of full-time practice within the state or jurisdiction where you are fully licensed. To rely on this option, your application must show that you are currently fully licensed (excluding any temporary, conditional or restricted license or permit) under the laws of another state, the District of Columbia, Canada or the Commonwealth of Puerto Rico, **and** that you are not the subject of any pending disciplinary action by a medical licensing board and have not been the subject of professional discipline by a medical licensing board in any jurisdiction.

For reactivation applicants only: (previously held license expired for more than one year)

6. **Continuing Medical Education.** In addition to the above requirements, you will need to submit satisfactory evidence of CME completed the previous 4 to 5 years prior to submission of your application. Please refer to the CME requirements on page 2 of the instructions and contact the Board Licensure Analyst at 304-558-2921, ext. 70021, for confirmation of the time periods needed for submission.

Reactivating applicants do not need to use FCVS or update the existing FCVS profile. The Board has already received the relevant information from your initial licensure application.
For UA assistance, see the UA FAQ at http://www.fsmb.org/licensure/uniform-application/faq. If your issue is not listed, contact UA customer service at 800-793-7939 or ua@fsmb.org with a description of the problem and your username or Federation ID number. Email a screenshot if you see an error.

Please use the checklist at the end of these instructions to ensure that you submit all needed items.

**Board Meetings**

Board meetings are held every other month, beginning in January. When your application is processed, you will receive an e-mail notifying you of what documentation is outstanding. When all documentation has been received, you will be mailed or e-mailed a letter of completion. However, if you answer "yes" to any of the Professional Practice Questions in Addendum 1, you may be required to appear before the Licensure Committee and you will not be eligible for a temporary license.

If you are eligible for a temporary license (see page 2) and request a temporary license be issued between the time your application is completed and the Board meeting at which it will be presented, an additional non-refundable fee of $100.00 is required, in the form of a cashier's check, money order, or personal check, or by credit card via a phone call. Payment of this fee does not guarantee you a temporary license. The granting of a temporary license occurs in writing from the Board office.

The West Virginia Board of Medicine will provide reasonable accommodation to a qualified applicant with a disability in accordance with the Americans with Disabilities Act.
Uniform Application for Physician State Licensure Checklist

Please use the checklist that applies to you. If you are using FCVS for initial credentials verification, you will be responsible for providing or requesting the information for each item not provided by FCVS. If you are applying for license reactivation, you do not need to use FCVS or provide certain materials included in your initial application.
