State	Mechanism	Process and Qualifications	Fee	Citation
Alabama	Special purpose license (Note: Abolished May 26, 2022)	<p>Complete the online application for a certificate of qualification for a Special Purpose license to practice medicine or osteopathy across state lines. The completed application will be placed on the Board’s agenda for approval. Once approved, complete the Commission’s application for a Special Purpose License.</p> <p>Eligibility:</p> <ul style="list-style-type: none"> Applicant's principal practice location and license are in a state/territory whose laws allow the issuance of a license to practice medicine across state lines or a similar license (Guam, LA, ME Medical, MD, MN, NJ, NV Medical, NM Medical, OH, OK Osteopathic, OR, PA Medical, PA Osteopathic, TN Medical, TN Osteopathic, TX). Applicant holds a full and unrestricted license in any and all states in which the applicant is licensed. 	<p>Initial Special Purpose certificate of qualification: \$175</p> <p>Initial Special Purpose license: \$75</p>	ALBME – Special Purpose License

		<ul style="list-style-type: none"> Applicant has not had any previous disciplinary action or other action taken by any state or licensing jurisdiction (the Board may waive this requirement if it finds the disciplinary action does not indicate that the physician is a potential threat to the public). <p>[5/18/22 Update] re: Special purpose licenses abolished - On Apr. 12, 2022, Governor Kay Ivey signed Act No. 2022-302 effectively abolishing the SPL which allowed the practice of medicine and osteopathy across state lines via telemedicine. No new SPL applications will be accepted after May 26, 2022. Currently active Special Purpose licenses will remain active until their natural expiration date. No Special Purpose licenses will be renewed.</p> <ul style="list-style-type: none"> Physicians desiring to continue to practice telemedicine in Alabama will be required to obtain a full license or a license through the Interstate Medical Licensure Compact. (ALBME Guidance). However, as part of that legislation, there is an exception for physicians “who provide [telemedicine] services on an irregular or infrequent basis (defined as fewer than 10 days or 10 patients per calendar year), or when the services are provided in consultation with a physician licensed in the state. The bill also explicitly allows a physician-patient relationship to be established without an in-person exam, and prescribing can include controlled substances under certain circumstances. 	<p>Alabama Controlled Substances Certificate*: \$150</p> <p>Special purpose renewal: \$300</p> <p>Renewal fee: \$300</p>	
Alaska	Limited Referral system	<p>HB 265 (2022) includes a provision that allows Alaskans with suspected or diagnosed life-threatening conditions, such as cancer, to be treated by an out-of-state physician as long as they:</p> <ul style="list-style-type: none"> Have a referral from their Alaska-licensed physician. Have an existing patient-physician relationship with the out-of-state physician. And the out-of-state physician has previously conducted an in-person visit with the patient. 		AK HB 265 (2022)
Arizona	Registration	<p>A health care provider who is not licensed in Arizona may provide telehealth services to a person located in Arizona if the health care provider complies with all of the following:</p>	\$500	

		<p>9. Annually updates the health care provider’s registration for accuracy and submits to the applicable health care provider regulatory board or agency a report with the number of patients the provider served in Arizona and the total number and type of encounters for the preceding year</p> <p>A health care provider who is registered pursuant to this section may not:</p> <ul style="list-style-type: none"> • Open an office in this state, except as part of a multistate provider group that includes at least one health care provider who is licensed in this state through the applicable health care provider regulatory board or agency. • Provide in-person health care services to persons located in this state without first obtaining a license through the applicable health care provider regulatory board or agency. 		
Delaware	Registration	<p>Allows practitioners licensed outside of Delaware to render services to Delaware patients by telemedicine so long as their license in good standing in all jurisdictions in which they are licensed, not under investigation or subject to an administrative complaint, and they first obtain an interstate telehealth registration from the Division of Professional Regulation. Delaware retains jurisdictional authority for medicine practiced in the state, and "may report any discipline to the National Practitioner Database, as well as to every jurisdiction in which the health-care provider holds a license."</p>		<p>DE HB 334 (2022)</p>
Florida	Registration	<p>The out-of-state telehealth provider registration is for health care practitioners licensed outside of Florida ONLY. Florida licensees can already provide telehealth services to patients in Florida that they can treat in person. Health care practitioners with an out-of-state license or certification that falls under section 456.47(1)(b), F.S, qualify for an out-of-state telehealth provider registration number when they meet the following requirements:</p> <ul style="list-style-type: none"> • Submit the completed Application for Out-of-State Telehealth Provider Registration; • Maintain an active, unencumbered license from another state, the District of Columbia, or a possession or territory of the United States (license verification is required); 	<p>No fee (Source)</p>	<p>Florida Law § 2019-137</p> <p>FL BOM Out-of-State Telehealth Provider Registration</p>

		<ul style="list-style-type: none"> • Not have a pending investigation, discipline, or revocation on your license within the last five years; • Designate a duly appointed registered agent for service of process in Florida (see Application for Out-of-State Telehealth Provider Registration) • Maintain liability coverage or financial responsibility for telehealth services provided to patients in Florida in an amount equal to or greater than Florida health care practitioner requirements • Not open a Florida office or provide in-person health care services to Florida patients • Only use a Florida-licensed pharmacy, registered nonresident pharmacy, or outsourcing facility to dispense medicinal drugs to patients in Florida (pharmacists only) 		
Georgia	Telemedicine License	<p>The Board is authorized to issue telemedicine licenses to physicians who are licensed in other states but not licensed in Georgia.</p> <p>Requirements for Telemedicine Licensure:</p> <ul style="list-style-type: none"> • Must meet the requirements of Rule 360-2-.01 and hold a full and unrestricted license to practice medicine in another state. • Telemedicine License will be limited to the practice of telemedicine and shall not be used to practice medicine physically in this state on a patient that is in this state, unless an emergency. • Must maintain records in accordance with Rule 360-3-.02(16) • Must adhere to Rule 360-3-.07 • Once licensed applicant must notify the Board of any restrictions placed on his or her license or revocation of his or her license by a licensing board or entity in another state. • Issuance of this license is at the discretion of the Board. • The denial of a telemedicine license is not a contested case, but the applicant shall be entitled to an appearance before the Board. 	<p>Application: \$500 FCVS: \$375 Temporary License: \$150</p> <p>(If you are applying for a Telehealth or Administrative license, you must complete the requirements for an unlimited Georgia medical license.) (Source)</p>	<p>GA Code § 43-34-31.1</p> <p>GA Rules & Regulations Sec. 360-2-.17</p>
Indiana	Registration	<p>A practitioner who is physically located outside Indiana is engaged in the provision of health care services in Indiana when the practitioner:</p> <p>(1) Establishes a provider-patient relationship under this chapter with; or</p>	N/A	IC 25-1-9.5-9

		<p>(2) determines whether to issue a prescription under this chapter for an individual who is located in Indiana.</p> <p>(b) A practitioner described in subsection (a) may not establish a provider-patient relationship... [unless they] have certified in writing to the Indiana professional licensing agency, in a manner specified by the Indiana professional licensing agency, that the practitioner and the practitioner's employer or practitioner's contractor agree to be subject to:</p> <ol style="list-style-type: none"> (1) the jurisdiction of the courts of law of Indiana; and (2) Indiana substantive and procedural laws. <p>A practitioner shall renew the certification required under subsection (b) at the time the practitioner renews the practitioner's license.</p> <p>A practitioner's employer or a practitioner's contractor is required to file the certification required by this section only at the time of initial certification.</p>		<p style="text-align: center;"><u>IN PLA Telemedicine Registry</u></p>
<p style="text-align: center;">Kansas</p>	<p style="text-align: center;">Registration (Waiver)</p>	<p>Notwithstanding any other provision of law, a physician holding a license issued by the applicable licensing agency of another state or who otherwise meets the requirements of this section may practice telemedicine to treat patients located in the state of Kansas, if such physician receives a telemedicine waiver issued by the state board of healing arts. The state board of healing arts shall issue such a waiver within 15 days from receipt of a complete application, if the physician:</p> <ul style="list-style-type: none"> • Submits a complete application that may include evidence in the form of an affidavit from an authorized third party that the applicant meets the requirements of this section in a manner determined by the state board of healing arts and pays a fee not to exceed \$100; and • Holds an unrestricted license to practice medicine and surgery in another state or meets the qualifications required under Kansas law for a license to practice medicine and surgery and is not the subject of any investigation or disciplinary action by the applicable licensing agency. 	<p>Initial fee: \$100</p> <p>Annual renewal fee: \$100</p>	<p style="text-align: center;"><u>KS Statute Sec. 65-28,135</u></p> <p style="text-align: center;"><u>HB 2280 (2021)</u></p>

		Any person who receives a telemedicine waiver under the provisions of this section shall be subject to all rules and regulations pertaining to the practice of the licensed profession in this state and shall be considered a licensee for the purposes of the professional practice acts administered by the state board of healing arts.		
Louisiana	Telemedicine Permit	<p>A telemedicine permit is a limited license that provides lawful authority to a physician who does not hold a current, unrestricted Louisiana medical license to practice telemedicine with respect to patients located in this state. To be eligible for a telemedicine permit an applicant shall:</p> <ul style="list-style-type: none"> • Possess the qualifications for licensing prescribed by § 311. of these rules; • Possess an unrestricted license to practice medicine issued by the medical licensing authority of a state other than Louisiana (whether allopathic or osteopathic); • Have completed a board-approved application and satisfied the applicable fee. <p>The board shall issue a telemedicine license to allow the practice of medicine across state lines to an applicant who holds a full and unrestricted license to practice medicine in another state or territory of the United States.</p> <p>The board shall establish by rule in accordance with the Administrative Procedure Act the requirements for licensure including not opening an office in Louisiana, not meeting with patients in Louisiana, and not receiving calls in Louisiana from patients.</p>	\$150 (Source)	<p>LA Revised Statutes § 37:1276.1</p> <p>LA Admin Code Sec. 46:XLV.408</p> <p>LSBME Application & Instructions for Initial Licensure - Telemedicine</p>
Maine	Registration (For Consultative services only)	<p>A physician not licensed to practice medicine in this State may provide consultative services through interstate telehealth to a patient located in this State if the physician is registered... A physician intending to provide consultative services in this State through interstate telehealth shall provide any information requested by the board and complete information on:</p> <ul style="list-style-type: none"> • All states and jurisdictions in which the physician is currently licensed • All states and jurisdictions in which the physician was previously licensed; and 	Registration fee: \$500	32 MRSA § 3300-D “Guidelines: Telemedicine”

		<ul style="list-style-type: none"> All negative licensing actions taken previously against the physician in any state or jurisdiction. <p>The Board may issue an interstate telemedicine consultation registration to an applicant who:</p> <ul style="list-style-type: none"> Submits an administratively complete application on forms approved by the Board; Pays the appropriate licensure application fee; Demonstrates that the applicant is a physician and is fully licensed without restriction to practice medicine in the state from which the physician provides telemedicine services; Meets the examination requirement; Has not had a license to practice medicine revoked or restricted in any state or jurisdiction; and Has no cause existing that may be considered grounds for disciplinary action or denial of licensure as provided by law. <p>A physician registered for the interstate telemedicine consultation shall not:</p> <ul style="list-style-type: none"> Open an office in this State; Meet with patients in this State; Receive calls in this State from patients; and Shall provide only consultative services as requested by a physician, advanced practice registered nurse or physician assistant licensed in this State who retains ultimate authority over the diagnosis, care and treatment of the patient. 		ME Regulation § 02-373 Ch. 1
Maryland	Proximal reciprocity	<p>Effective March 13, 2023, Maryland, Virginia, and Washington D.C. entered into a Memorandum of Agreement (MOA) agreeing to:</p> <ol style="list-style-type: none"> Recognize medical licenses issued by another Party [in the MOA]; Expedite the processing of reciprocal license applications received from physicians licensed by another state [in the MOA]. Enable rapid, reliable communication between the Parties to ensure necessary information about applicants is quickly received... 		Maryland Expedited Licensure Pathways

		<p>4. When requested, promptly provide notification of an application from an individual licensed by another jurisdiction of any private or confidential order or agreement involving that individual, including any restriction on the license of the individual; or pending disciplinary investigation or proceeding.</p> <p>In addition, the expedited licensure pathway application asks if the applicant:</p> <ol style="list-style-type: none"> 1. Has any pending or past complaints against <i>any</i> license held; 2. Has any disciplinary actions against <i>any</i> license; 3. Has had any actions reported to the National Practitioner Data Bank; 4. Has any criminal history. 		
Minnesota	Registration	<p>A physician not licensed to practice medicine in this state may provide medical services to a patient located in this state through interstate telehealth if the following conditions are met:</p> <ol style="list-style-type: none"> (1) the physician is licensed without restriction to practice medicine in the state from which the physician provides telehealth services; (2) the physician has not had a license to practice medicine revoked or restricted in any state or jurisdiction; (3) the physician does not open an office in this state, does not meet with patients in this state, and does not receive calls in this state from patients; and (4) the physician annually registers with the board, on a form provided by the board. <p>To register with the board, a physician must:</p> <ol style="list-style-type: none"> (1) state the physician's intention to provide interstate telehealth services in this state; (2) provide complete information on: <ol style="list-style-type: none"> (i) all states and jurisdictions in which the physician is currently licensed; (ii) any states or jurisdictions in which the physician was previously licensed; 	<p>Registration fee: \$75</p> <p>Application fee: \$100</p>	<p>MN Stat. § 147.032</p> <p>MBMP Telemedicine Registration Application</p>

		<p>(iii) any negative licensing actions taken previously against the physician in any state or jurisdiction; and</p> <p>(iv) other information requested by the board; and</p> <p>(3) pay a registration fee of \$75 annually and an initial application fee of \$100.</p> <p>A physician registered to provide interstate telehealth services under this section must immediately notify the board of restrictions placed on the physician's license to practice in any state or jurisdiction.</p> <p>In registering to provide interstate telehealth services to state residents under this section, a physician agrees to be subject to state laws, the state judicial system, and the board with respect to providing medical services to state residents.</p> <p>For the purposes of this section, telehealth means the practice of medicine as defined in section 147.081, subdivision 3, when the physician is not in the physical presence of the patient.</p>		
Nevada	Special Purpose Medical Licenses	<p>A special purpose license to a physician who is licensed in another state to perform any of the acts described in subsections 1 and 2 of NRS 630.020 [“medical practice”]... through telehealth, from within or outside this State or the United States. A physician who holds a special purpose license issued pursuant to this paragraph:</p> <p>(1) Except as otherwise provided by specific statute or regulation, shall comply with the provisions of this chapter and the regulations of the Board; and</p> <p>(2) To the extent not inconsistent with the Nevada Constitution or the United States Constitution, is subject to the jurisdiction of the courts of this State.</p> <p>For the purpose of paragraph (e) of subsection 1, the physician must:</p> <p>(a) Hold a full and unrestricted license to practice medicine in another state;</p>	<p>\$1,225</p> <p>Renewal: \$750</p> <p>(Source)</p>	NRS 630.261

		<p>(b) Not have had any disciplinary or other action taken against him or her by any state or other jurisdiction; and</p> <p>(c) Be certified by a specialty board of the American Board of Medical Specialties or its successor.</p> <p>3. Except as otherwise provided in this section, the Board may renew or modify any license issued pursuant to subsection 1.</p>		
New Mexico	Telemedicine License	<p>Medical Board: A limited medical license that allows a physician located outside New Mexico to practice medicine on patients located in New Mexico.</p> <p>Each applicant for a telemedicine license must be of good moral character and hold a full and unrestricted license to practice medicine in another state or territory of the United States.</p> <p>Required documentation:</p> <ul style="list-style-type: none"> • A completed signed application, with a passport quality photo taken within six months. Applications are valid for one year from the date of receipt. • Verification of licensure in all states where the applicant holds or has held a license to practice medicine, or other health care profession. Verification must be received directly from the other state(s) board, and must attest to the status, issue date, license number, and other information requested and contained on the form. • Applicants who have had previous disciplinary or other action against them may be required to meet with the entire board. The board may, in its discretion, issue a license to practice medicine across state lines if it finds that the previous disciplinary or other action does not indicate that the physician is a potential threat to the public. • Licensure process. Upon receipt of a completed application, including all required documentation and fees, board staff will request and review an AMA physician profile and FSMB board action databank search. When the application is complete a member or agent of the board will review and may approve the application. A personal 	<p>Medical: \$400 (Source)</p> <p>Osteopathic: \$100</p>	<p>SB 279 (2021) (Interstate Telemedicine)</p> <p>Telemedicine Physician Application</p>

		<p>interview is not required unless there is a discrepancy in the application that cannot be resolved.</p> <ul style="list-style-type: none"> Initial license expiration. Telemedicine licenses shall be renewed on July 1 following the date of issue. Initial licenses are valid for a period of not more than thirteen months or less than one month. <p>Osteopathic Board: The Board of Osteopathic medicine offers a limited telemedicine license that allows an osteopathic physician located outside New Mexico to practice osteopathic medicine on patients located in New Mexico. The annual fee is \$100.</p>		
Oklahoma	Telemedicine License (Osteopathic Only)	The State Board of Osteopathic Examiners has the authority to issue a telemedicine license.	\$500 (Source)	OK Stat., Tit. 59, § 633
Oregon	Telemedicine License	<p>Upon application, the Oregon Medical Board may issue to an out-of-state physician a license for the practice of medicine across state lines if the physician holds a full, unrestricted license to practice medicine in any other state of the United States, has not been the recipient of a professional sanction by any other state of the United States and otherwise meets the standards for Oregon licensure .</p> <p>In the event that an out-of-state physician has been the recipient of a professional sanction by any other state of the United States, the board may issue a license for the practice of medicine across state lines if the board finds that the sanction does not indicate that the physician is a potential threat to the public interest, health, welfare and safety.</p> <p>A physician or physician assistant shall apply on a form provided by the board, accompanied by nonrefundable fees for the application and the license in amounts determined by rule of the board.
