Instructions for Completing the Online Idaho Licensure Application

No practice is permitted prior to issuance of a license. APPLICANTS ARE ADVISED NOT TO ENTER IRREVOCABLE CONTRACTS, PURCHASE OR SALE AGREEMENTS, ON THE ASSUMPTION THAT LICENSURE WILL BE GRANTED.

An initial license, when approved, will be issued for no less than one year. Applicants will be assessed a pro-rated fee to bring their license expiration date into concurrence with the next scheduled expiration date once the application is complete and approved.

Review the following instructions carefully before completing the application. Failure to submit all required information and documentation will result in processing delays. In completing the online application, you will be asked to account for all time since medical school graduation, including employment histories, and information on malpractice claims, if applicable. Having this information on hand before you begin your session will facilitate completing your online application.

Idaho requires the applicant to submit their social security number. If not included in the application, your application will be rejected and this will delay the process.

If you have any questions about the information provided to you, please contact our office at (208) 327-7000. Thank you for applying for licensure in the State of Idaho.

Fees

The Idaho State Board of Medicine non-refundable application fee is $200, to be paid by check, money order, or credit card. Attach payment to the completed addenda and any additional documentation that you are submitting to the board. Your application fee must be received in order to process your application. Once you have submitted your application and application fee, we will begin the review process and send a letter letting you know what will be required to complete your application along with a fingerprint card. The card must be mailed to the applicant’s home mailing address as required by the FBI. Please note that a 3rd party cannot be involved in the fingerprinting process. Once your application is fully approved, Board staff will contact you to collect the remaining licensure fees. Once you have paid the fees, the Board will issue your license.

Licensure by Endorsement – to be determined by the Idaho Board

An applicant, in good standing with no restrictions upon or actions taken against his license to practice medicine and surgery in a state, territory or district of the United States or Canada is eligible for licensure by endorsement to practice medicine in Idaho.

An applicant with any disciplinary action, whether past, pending, public or confidential, by any board of medicine, licensing authority, medical society, professional society, hospital, medical school or institution staff in any state, territory, district or country is not eligible for licensure by endorsement. An eligible applicant for licensure by endorsement (without examination) fulfills all requirements of IDAPA 22.01.01.053.
In brief, simple language, for licensure by endorsement you must:

1. Hold a current license to practice medicine in another U.S. state or Canada that has no disciplinary action, suspension, or restrictions or be currently ABMS or AOA board certified.

2. Disclose on the application form any physical or mental impairment that impacts your ability to practice.

3. Disclose any significant (over $250,000) malpractice settlements or judgements in the past 10 years.

4. Complete an affidavit affirming your eligibility and complete a criminal background (fingerprint) check.

Osteopathic physicians and surgeons receiving degrees after January 1, 1963 and fulfilling applicable requirements may apply for a license by endorsement.

The Florida medical licensing examination, from July 1969 through 1980, and the Puerto Rico medical licensing examination do not meet the requirements for licensure by endorsement.

Eligible applicants for licensure by endorsement will need to complete the following items on the checklist below:

**The Uniform Application for Physician State Licensure (UA)**

The Uniform Application is the licensure application for the Board. After completing the UA for the first time, your application is securely stored and can be sent to another participating board as long as the forms and state-specific requirements are also completed for each board. Updates to the UA can be made as needed.

The Federation Credentials Verification Service (FCVS) can be used for credentials verification as part of the licensure process. Existing FCVS profiles are accepted, provided that your profile is designated to be received by the Board. If you do not have an existing FCVS profile and are considering using FCVS for credentials verification, please note that the Board does not require the FCVS; however, the Board does recommend the FCVS for International Medical Graduates.

To work on the FCVS application (credentials verification only), visit [https://www.fsmb.org/fcvs/](https://www.fsmb.org/fcvs/) and click on the FCVS graphic, then sign in. You may also visit [http://www.fsmb.org/](http://www.fsmb.org/) and click on FCVS in the Licensure menu to access the portal page. For assistance, use the messaging tool within FCVS or call 888-275-3287 with your FCVS ID number.

To begin or update your UA (licensure application), visit [https://www.fsmb.org/uniform-application/](https://www.fsmb.org/uniform-application/) and click on the UA graphic, then sign in. You may also visit [http://www.fsmb.org/](http://www.fsmb.org/) and click on Uniform Application in the Licensure menu to access the portal page. Complete as instructed in each section. Use the checklist at the end of these instructions to ensure that you submit all required documentation.
Please note the following:

- If not pre-filled, provide your home address and a separate address for business or postgraduate training. Both Board Contact and Public Access selections must be made but you can use the same address for each selection. All home addresses must be domestic, as fingerprint cards and other background information are mailed there.

- Enter your full social security number and not the USMLE number.

- Enter each training program in the United States and Canada in either the ACGME Training page or the Other Training page. Enter postgraduate programs outside of the United States and Canada on the Chronology page.

- You are not able to add or edit MD or DO license information in the UA because that information is sent directly from the state boards into the FSMB system. If changes are needed, email ua@fsmb.org with the correct information. Depending on volume of license update requests, it may take 1-3 business days for the changes to appear in your UA. Do not enter MD or DO license information under “Other”.

- If you hold a medical or osteopathic license or licenses in countries outside of the United States or Canada, provide that information on a separate sheet of paper to the Board.

- Your Chronology of Activities should cover each of your activities (non-working time included) from medical school graduation to present. Previously listed medical school and postgraduate training programs will pre-fill the Chronology. Do not leave gaps. For each entry, use the first day of the month for start and end dates unless you know the exact date. If you have military or locum tenens assignments, list each location separately.

- Clinical time indicates time spent seeing patients and practicing medicine. Administrative time indicates time spent on paperwork, research, or teaching.

- Leave the malpractice liability claims section blank only if you have had no claims. List all pending or dismissed claims.

- Upon accepting the Terms and Agreement and submitting the UA, first time UA users will be taken to a payment page for the one-time service charge. This charge sustains the UA program and is separate from FCVS and state board licensing fees.

- For a copy of your receipt, click on the “Home” link to return to the portal page, which will now have a Payment link to all FSMB receipts in the upper right corner.

- To open your UA for editing and resubmitting to a board, or for submitting to a new board, sign in and choose the appropriate board in the State Board section. Reselect the US Citizen query on the Identification page (it resets each time a UA is submitted), make changes as needed, then submit or resubmit your UA.

- Refer to the UA FAQ at http://www.fsmb.org/uniform-application/ua-faq/ for answers to the most common UA questions. If your issue isn’t listed, contact UA customer service at 800-793-7939 or email ua@fsmb.org with your username and a description of your issue. If you receive an error, provide a screenshot for each error or the description to ua@fsmb.org.
In addition to completing the core UA online, all applicants must:

- Complete both the addendum within the UA and the addendum forms in this packet.
- Submit a UA Affidavit and Authorization for Release of Information form to the Board. The UA Affidavit is separate from the FCVS Affidavit and must be sent directly to the Board. Attach a recent (fewer than 90 days old) two inch by two inch (2” x 2”) passport quality, color photograph of yourself in the space provided.

If you are using FCVS for credentials verification

- Do not complete the UA Medical Education Verification, Postgraduate Training Verification, or Fifth Pathway Verification forms. Do not send any identity documents, transcripts, certificates, or examination scores to the Board. FCVS handles all of this for you.

If you are not using FCVS for credentials verification, (Full Application)

- Send to the Board a certified copy of a legal name change document (marriage certificate, divorce decree, court order) if your name is not the same on all of your submitted documents.
- Contact each appropriate examination entity to have a certified transcript of your scores sent directly from the exam entity to the Board. If you have taken any component of the NBME in conjunction with another exam (USMLE/FLEX), request your transcript of scores from the NBME. For exam entity contact information, see the UA FAQ at http://www.fsmb.org/uniform-application/ua-faq/.
- Complete the UA Medical Education Verification and Postgraduate Training Verification forms as directed on each form. The UA Medical School Verification form should be accompanied by a copy of your diploma if you graduated from that school.
- If you are an International Medical Graduate, request from ECFMG that your ECFMG certificate, and/or FMGEMS certificate be sent to the Board, as applicable. See the UA FAQ at the link on the previous page for contact information.

If you are not using FCVS for credentials verification, (Endorsement Application)

- Do not complete the UA Medical Education Verification, Postgraduate Training Verification forms. Do not send any transcripts, certificates, or examination scores to the Board.

If you experience difficulties in using or accessing the Uniform Application, visit the Uniform Application FAQ at http://www.fsmb.org/uniform-application/ua-faq/. If your question is not listed, contact UA customer service at 800-793-7939 or ua@fsmb.org. Provide your username and FCVS ID number or nine-digit Federation ID (FID). If you receive an error, send a screenshot of the error or the description to ua@fsmb.org.

Criminal Background Check

Please note: Idaho requires a criminal background check prior to licensure. A fingerprint card and instructions will be mailed to the home address provided on the application. Be aware that fingerprint processing may delay your application. Please make it a PRIORITY to complete the fingerprint process upon receipt of the form.
