Notice: Criminal History Records Check Required

Dear Applicant for Initial License:

A full Criminal History Records Check (CHRC) is a qualification of licensure. The Board may not reinstate or issue a new license to any applicant, physician, or allied health practitioner, if the Board has not received criminal history record information.

A CHRC will include both a State and national criminal history records check conducted by the Maryland Department of Public Safety and Correctional Services, Criminal Justice Information System (CJIS) and will be maintained in the Maryland and FBI database for further identification purposes. Applicants have the right to challenge their records, which is discussed in more detail in the FBI NonCriminal Justice Applicant's Privacy Rights notice (https://www.mbp.state.md.us/forms/fbi_privacy_rights.pdf). An applicant for initial licensure shall apply to CJIS for a CHRC and the application shall include:

1. Two complete sets of legible fingerprints taken on forms approved by CJIS and the FBI; and
2. Payment of the required fees.

Timing of CHRCs

The Board recommends that applicants do not submit fingerprints earlier than 6 weeks before the date the applicant/licensee intends to complete the initial license application. The Board is only authorized to retain CHRC information for 90 days. If the CHRC is over 90 days, the applicant will be required to complete a new CHRC.

If there are any concerns about a fingerprinting location, please contact CJIS directly.
   
   b. Provide the fingerprinting entity the CJIS Authorization number and FBI ORI # provided on page 1 of this letter.
   
   c. Pay the appropriate fee to the fingerprinting entity.

   Once the Board receives the results of the CHRCs, the application process will be completed in accordance to Board regulations and policies.

ONLINE APPLICATION FOR INITIAL MEDICAL LICENSURE

Dear Applicant:

The non-refundable initial license processing fee for American Medical Graduates is $310 or $410 for Foreign Medical Graduates. If your application is approved, there will be an additional license fee of up to $480, based on last name (A-L or M-Z) and prorated at $20 per month until expiration of initial license as stated in COMAR 10.32.01.12.

Online application payment is made using credit card only with Visa, MasterCard, or Discover.

Applications are processed in the order they are received. Board staff will make every effort to process your application as quickly as possible. Incomplete applications and/or failure to submit the required information will delay the processing of your application.

The Board does not confirm receipt of the application and payment. Once the application has been reviewed, applicants will be notified via e-mail with the status of the application. Please do not call the Board to check on the status of your application, as constant interruptions slow down the process.

Supporting documents must come directly from the source. For example, verification of education must come directly from your school.

The Board reviews applications in order of receipt. If your application is missing information, you will be contacted by email within 10-15 days. The email will list the information that is required to complete your application. You have 60 days to submit the required information. If you do not submit the required information within 60 days of the receipt of the email, your application will be closed, and a new application and non-refundable fee will be required.

If you plan to use FCVS services, please begin the process at least two months prior to submitting your application to the Board and check the box in Part 1 on the application indicating that you are using the FCVS.
