

Licensure Verification Information

The information listed in this resource is current as of August 2019 and is subject to change at any time. We strongly suggest verifying the fee and requirements at the links provided.

If you are using the Uniform Application to apply for licensure, the Licensure Verification Form (Form #1) can be used as a written request. Do not use Form #1 if you are using VeriDoc or a board's written request form or online method of verification.

[VeriDoc](#) is a service that processes license verifications for a number of boards (listed below). If you have ever held any type of license from one or more of these boards, VeriDoc will send verification of your license(s) to the board(s) you are applying to. See <https://www.veridoc.org/feeschedule.aspx> to confirm the listed fees.
